

Construction Update - June 5, 2024

This week, the contractor continued installing temporary traffic signals throughout the project area. Crews are also continuing the relocation of utility infrastructure underground to prepare for the new storm sewer improvements.

Daily lane closures have gone into effect, resulting in delays throughout the project area. The contractor strongly advises drivers to take alternate routes.

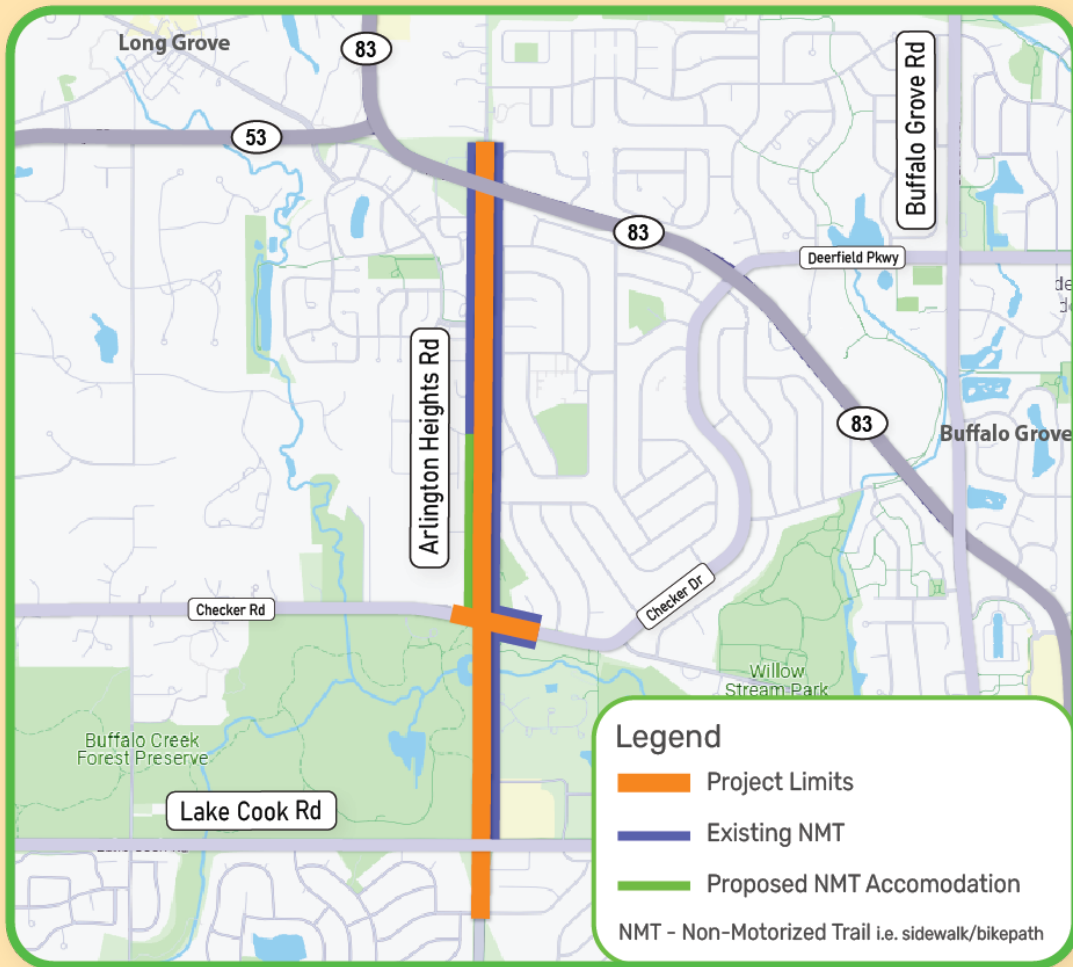

Current Roadway Conditions:

Temporary traffic signals installed

Project Map Area

Construction on Arlington Heights Road starts north of IL-83 and continues southbound past Lake Cook Road and will impact traffic flow until the fall 2025.
